HOST A STUDENT FROM SPAIN OR FRANCE

Spanish and French students (ages 12-18) will travel all the way to the Sacramento area to participate in a homestay program where they will:

- Practice speaking English
- Live the "real life" of an American family
- Create lasting relationships

The only cost to American host families is food and lodging, as all students are fully insured and bring their own spending money and phone cards. Sharing some of your space and time can build a new friendship that crosses international borders!
